

SOCRA San Francisco Bay Area CHAPTER MEETING

Date: Sept. 18th 2026

Time: 11.00 AM PST

Location: Virtual

Title / Topic: “Sponsor Site Management: From First Subject in Until Last Subject Out”

Speaker

Allie Wong, BS, MS, CCRP
Sr. Clinical Project Manager
Align Technology, Inc
Chair of the San Jose, CA SOCRA chapter,

Allie Wong received her Bachelor of Science degree from San Jose State University and Master of Science degree from Colorado State University. She has been on the Clinical Affairs team with Align Technology, Inc. since 2015 and has been a Clinical Operations Assistant, Clinical Research Associate, Sr. Clinical Research Associate, Clinical Project Manager, and currently, a Sr. Clinical Project Manager. She is a Certified Clinical Research Professional, Chair of the San Jose, CA SOCRA chapter, and on the SOCRA Board of Directors.

Objectives:

- How to keep clinical research sites engaged from study startup to study closeout
- How to effectively communicate with clinical research sites throughout the study
- Discuss tips and tricks for monitoring visits
- Provide strategies for how to deal with unresponsive clinical research sites
- What to cover when closing out a clinical research site

Continuing Education (CE): SOCRA members may claim 1.0 CE credit per hour of education. SOCRA members will receive Certificates of Attendance at the completion of the event.

RSVP: NOTE: Remote site agreements are NOT required for this chapter meeting.

Details to enable virtual attendance will be sent to all attendees who have RSVP'd.

COST: FREE admission
